Friend Whitey,

Here is a copy of the original petition setting up the boundaries of the North Rose Fire District, and the petition of June 30, 1937, extending the boundaries of the North Rose-Huron District. But I cannot find when or how the North Rose District was enlarged to cover that part of the Town of Rose not incorporated in the Rose District, as it now stands.

Walter Miller, County Supt of Highways at Lyons has very good copies of maps of the County of Wayne and on which the boundaries of the Fire District could be outlined. I have such a map filed with me by the Rose Fire District. He would gladly furnish you a copy of the map if you wrote Walter Miller for it. Tell him I made the suggestion.

Hope this will be of some benefit to you.

Sincerely,

Harry
